DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR LOMBARD ESTATES

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made as of the date set forth on the signature page hereof by *First City Bank*.

Declaring is the owner (or if not the owner, with the written consent of such owner as attached hereto) of the real property described in Exhibit "A", which is attached and incorporated by reference. By this Declaration, Declaring imposes upon the Community mutually beneficial restrictions under a general plan of improvement for the benefit of the owners of each portion of the Community, and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the Community. In furtherance of such plan, Declaring has caused or intends to cause the Lombard Estates Home Owner's Association to be formed as a Georgia nonprofit corporation to own, operate, and maintain Common Areas, as defined below, and to administer and enforce the provision of the Governing Documents.

Declaring hereby declares that all of the property described in Exhibit "A" and any additional property subjected to this Declaration by Supplemental Declaration shall be held, sold, used and conveyed subject to the following easements, restrictions, covenants, and conditions, which shall run with the title to the real property subjected to this Declaration. This Declaration shall be binding upon all parties having any right, title, or interest in any portion of the Community, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner of any portion of the Community.

This document does not and is not intended to create a condominium within the meaning of the Georgia Condominium Act, O.C.G.A. Section 44-3-70, and the Association is not subject to the Georgia Property Owners' Association Act, O.C.G.A. Section 44-3-220

THIS DECLARATION DISCLOSES SOME IMPORTANT INFORMATION ABOUT THE COMMUNITY FOR THE BENEFIT OF PROSPECTIVE PURCHASERS OF REAL PROPERTY IN THE COMMUNITY. EACH OWNER, BY ACCEPTING A DEED TO PROPERTY IN THE COMMUNITY, ALSO ACCEPTS AND AGREES TO THE MATTERS SET FORTH IN THIS DECLARATION.

ARTICLE I

DEFINITIONS

The terms in this Declaration and the attached exhibits and other Governing Documents shall generally be given their natural, commonly accepted definitions except as otherwise specified. Capitalized terms shall be defined as set forth below.

1.1. "Area of Common Responsibility": The Common Area, together with such other areas, if any, for which the Association has or assumes responsibility pursuant to the terms of this Declaration, any Supplemental Declaration, or other applicable covenants, contract, or agreement.

1.2. "Articles of Incorporation" or "Articles": The Articles of Incorporation of Lombard Estates Homeowner's Association as filed with the Secretary of State of the State of Georgia.

1.3. "Association": Lombard Estates Homeowner's Association a Georgia non-profit corporation, its successors or assigns.

1.4. "Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and generally serving the same role as the board of directors under Georgia corporate law.

1.5. "Common Area": All real and personal property, including easements, which the Association owns, leases or otherwise holds possessory or use rights in for the common use and enjoyment of the Owners.

1.6. "Common Expenses": The actual and estimated expenses incurred, or anticipated to be incurred, by the Association, including any reasonable reserve, as the Board may find necessary and appropriate.

1.7. "Community": The real property described on Exhibit "A", together with such additional property as is subjected to this Declaration in accordance with Article VII.

1.8. "Community-Wide Standard": The standard of conduct, maintenance, or other activity generally prevailing throughout the Community as initially established by Declaring. After Declaring no longer has the right to appoint and remove directors and officers of the Association, such standard may be more specifically determined by the Board of Directors.

1.9. "Declarant": First City Bank or any successor, successor-in-title, or assign who takes title to any portion of the property described on Exhibits "A" for the purpose of development and/or sale and who is designated as Declaring in a Recorded instrument executed by the immediately preceding Declaring.

Thereafter, the portion encompassed by such Plat shall contain the number of Units determined as set forth in the preceding paragraph and any portion not Platted shall continue to be treated as set forth in this paragraph.

1.25. "Use Restrictions and Rules" Those use restrictions and rules affecting the Community, which may be adopted, modified, and repealed as set forth in Article X. The initial Use Restrictions and Rules are set forth on Exhibit "B".

PROPERTY RIGHTS

2.1. Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, which is appurtenant to and shall pass with the title to each Unit, subject to:

- (a) This Declaration and any other applicable covenants;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board and the membership to adopt rules regulating the use and enjoyment of the Common Area.
- (d) The Board's right to suspend the right of an Owner to use recreational facilities within the Common Area (i) for any period during which any charge against such Owner's Unit remains delinquent, and (ii) for a period not to exceed 30-days for a single violation or for a longer period in the case of any continuing violation, of the Governing Documents;

(e) The right of the Association, Acting through the Board, to dedicate or transfer all or any part of the Common Area subject to the requirements set forth herein;

(f) The Board's right to impose reasonable membership requirements and charge reasonable use fees for the use of any recreational facilities or other portions of the Common Areas;

(g) The Board's right to permit use of any recreational facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of such use fees as the Board may establish;

(h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred subject to the requirements set forth herein; and

(i) Declarant's right to use such property without payment or charge for such purposes as Declaring, in its sole discretion, deem necessary and proper.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Unit shall be deemed to have assigned all such rights to the lessee of such Unit.

2.2. No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Article shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property, which may or may not be subject to this Declaration.

2.3. Condemnation. If any part of the common Area shall be taken or conveyed in lieu of and under threat of condemnation by any authority having the power of condemnation or eminent domain, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

2.4. Limited Common Area. Certain portions of the Common Area may be designed as Limited Common Area and reserved for the exclusive use of primary benefit of Owners and occupants within a particular Unit. By way of illustration and not limitation, Limited Common Areas may include parking spaces and other portions of the Common Area. All costs associated with maintenance, repair, replacement, and insurance of a Limited Common Area shall be allocated among the Owners of the Unit(s) to which the Limited Common Areas are assigned as a Specific Assessment.

Initially, any Limited Common Area shall be designated in the deed conveying

such area to the Association, on the Recorded Plat, or by Supplemental Declaration; provided, however any such assignment shall not preclude the Declarant from later assigning use of the same Limited Common Area to additional Units, so long as Declarant has a right to subject additional property to this Declaration pursuant to Section 7.1.

Thereafter, a portion of the Common Area may be assigned as Limited Common Area and Limited Common Area may be reassigned upon approval of the Board and the vote of Members representing a majority of the total votes in the Association, including a majority of the votes of the Owners affected by the proposed assignment or reassignment. As long as Declarant owns any property subject to this Declaration or which may become subject to this Declaration in accordance with Section 7.1, any such assignment or reassignment shall also require Declarant's written consent.

2.5. Use of Recreational Facilities. Declaring may, but shall not be required to, construct recreational facilities on portions of the Common Area such as: tennis courts, a pool, bathhouse, viewing areas, and the like. In the event Declaring constructs such recreational facilities, the following shall apply:

(a) For so long as Declaring owns any property subject to this Declaration or may annex additional property to this Declaration, Declaring shall have the right to grant to persons who are not members of the Association the right to use the recreational facilities. The extent and duration of nonmember use and the fee to be charged shall be determined solely by Declaring. The Declaring may grant nonmember use rights to Persons as an easement appurtenant to such Person's residential real property so that such use rights shall automatically inure to the benefit of such Persons and their heirs and assigns.

(b) Any use right granted to nonmembers which extends beyond the time period specified in (a) above shall be valid and may not terminate by the Association so long as the terms and conditions imposed upon nonmember use by the Declarant are complied with by the nonmember user.

(c) Declarant hereby reserves unto itself, its successors and assigns, a non-exclusive, perpetual right and privilege, and easement with respect to the Community for the benefit of Declarant, its successors, assigns, and the above nonmember users, without obligation or charge. These rights shall include, without limitation, an easement for travel across all Common Property in the Community. Declarant shall not be responsible for any fees to be paid by such nonmember.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

3.1. Function of Association. The Association shall be the entity responsible for

management, maintenance, operation, and control of the Area of Common Responsibility. The Association shall be the primary entity responsible for enforcement of the Governing Documents. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Georgia.

3.2. Membership. Every Owner shall be a Member of the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.3 and in the responsibilities of Owners. The membership rights of an Owner, which is not a natural person, may be exercised by any officer, director, partner, or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Association's Secretary.

3.3. Voting. Members shall be entitled to one vote for each Unit owned. When more than one Person holds an ownership interest in any Unit, the vote such Unit shall be exercised as those Owners themselves determine and advise the Association's Secretary prior to any meeting. The Unit's vote shall be suspended in the event more than one Person seeks to exercise it.

ARTICLE IV

RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall manage and maintain the Common Area and all improvements thereon in a manner consistent with the Community-Wide Standard. The Board is specifically authorized, but not obligated, to retain or employ professional management to assist in carrying out the Association's responsibilities under the Governing Documents, the cost of which shall be a Common Expense.

4.2. Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant and its designees may transfer or convey to the Association interests in real or personal property within or for the benefit of the Community, and the Association shall accept such transfers and conveyances. All such property shall be accepted by the Association "AS IS" without any representation or warranty, express or implied, in fact or by law, with respect thereto, or with respect to the improvements thereon or thereto, and without any representations or warranties regarding future repairs or regarding the condition, construction, accuracy, completeness, design, adequacy of the size of capacity in relation to the utilization, date of completion, or the future economic performance or operations of, or the materials which have been or will be used in such property or repairs. Upon written request of Declarant, the Association shall re-convey to Declarant any unimproved

portions of the community originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines or accommodate changes in the development plan.

The Association is responsible for the management, operation and control of the Common Areas at its expense, subject to any restrictions set forth in the deed or other instrument transferring the property to the Association.

4.3. Enforcement. The Association may impose sanctions for violations of the Governing Documents in accordance with procedures set forth in the By-Laws, including reasonable monetary fines and suspension of the right to vote and to use any recreational facilities within the Common Area. In addition, in accordance with the By-Laws, the Association may exercise self-help to cure violations and may suspend any services it provides to the Unit of any Owner who is more than 30-days delinquent in paying any assessment or other charge due to the Association. All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Governing Documents or Association rules, if the Association prevails it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action. So long as the Declarant owns any property described on Exhibit "A", the Declarant may but shall not be obligated to, take any enforcement action, or exercise any right on behalf of or independent from the Association.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or stop the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances with in the Community.

4.4. Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in the Governing Documents, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5. Governmental Interests. For so long as Declarant owns any property described on Exhibits "A", Declarant may designate sites within Community for fire, police, and utility facilities; public schools and parks; and other public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant.

4.6. Indemnification.

(a) The Association shall indemnify every officer, director, and committee member, including members of the committees established under Article IX, against all damages and expenses, including attorney fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under Section and Georgia law.

(b) The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on the Association's behalf (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contact, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

(c) Decisions whether to institute litigation are no different from other decisions directors make. There is no independent legal obligation to bring a civil action against another party. In deciding whether to bring a civil action against another party, a director is protected by the business judgement rule as explained in Section 3.25 of the By-Laws.

4.7. Dedication of Common Areas . The Association, acting through the Board, may dedicate portions of the Common Areas to any local, state, or federal governmental or quasi-governmental entity.

4.8. Safety and Security . Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in Lombard Estates. The Association may, but shall not be obligated to, maintain or support certain activities within the Community designed to enhance the level of safety or security which each person provides for himself or herself and his or her property. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety or security within the Community, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Community, can not be compromised or circumvented, nor that any such system or security measures undertaken

Will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. East Owner acknowledges, understands, and shall be responsible for informing its tenants and all occupants for its Unit that the Association, its Board of Directors and committees, and Declarant are not insurers or guarantors of safety or security and that each Person within the Community assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties.

4.9. Conservation Property. The Association shall be responsible to maintain all property in the Community designed by zoning and/or on the final plat as "Conservation Property" in a manner consistent with the zoning restrictions. Such property shall not be developed or improved with active amenities, but it may be used as "Greenspace" for the benefit of the Community. The Conservation Property may be subject to easements for utilities and infrastructure to the extent permitted by DeKalb County, Georgia. The Conservation Property shall be conveyed by the Declarant to the Association at the time of final platting the Community. In the event that the Association is dissolved, disbands, or otherwise fails to maintain and enforce the conservation restrictions on the Conservation Property, such property may be dedicated to or the restrictions enforced by DeKalb County, Georgia.

ARTICLE V

5.1 Association's Responsibility.

(a) The Association shall maintain and keep in good repair the Area of Common Responsibility, which shall include, but need not be limited to:

(i) the Common Area, including any recreational amenities, open space, and all landscaping, signage, lighting, irrigation systems and equipment, fences, wall and other structures and improvements, sidewalks, paths, and trails, situated upon the Common Area;

(ii) landscaping, signage, and sidewalks within public rights-of-way within or adjacent to the Community, except to the extent that such responsibility is assumed by a governmental or quasi-governmental body or public utility;

(iii) any lakes, ponds, streams, and/or wetlands located within in the Community to the extent maintenance is required in the Board's opinion and such area is not to be maintained by a governmental entity or third party. All drainage systems, storm water retention, or detention systems for the Community to the extent maintenance is to be maintained by DeKalb County

(iv) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association (including any

agreement with any governmental or quasi-governmental entity) ; and

(v) any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Area of Common Responsibility and to be maintained by the Association unless and until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) Association Easement. There are hereby reserved to the Association blanket easements over the Community as necessary to enable the Association to fulfill its maintenance responsibilities under Section 5.1. The Association shall maintain the facilities and improvements within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the Board's sole discretion, to perform required maintenance or repairs, unless Members representing 75% of the total votes in the Association and Declarant, so long as Declarant owns any property within the Community, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means except with Declarant's prior written approval as long as Declarant owns any property described on Exhibit "A" of this Declaration.

(c) Maintenance Expenses. Except as otherwise provided herein, all costs associated with the Association's maintenance responsibilities shall be a Common Expense to be allocated among all Units as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, parking areas, and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by the Association or assigned to the Association pursuant to this Declaration, and Supplemental Declaration, or other covenants applicable to such Unit. In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and levy a Specific Assessment. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Standard of Performance. Unless otherwise specifically provided herein or

in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants. The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

INSURANCE AND CASUALTY LOSSES

6.1. Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following type of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering the full replacement cost of all insurable improvements from "risks of direct physical loss" for the Common Area and on the other portions of the Area of Common Responsibility to the extent that the Association has responsibility for maintenance, repair, and/or replacement in the event of a casualty, regardless of ownership;

(ii) Commercial general liability insurance on the Area of Common Responsibility insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and umbrella coverage) shall have a limit of at least \$500,000.00 per occurrence with respect to bodily injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain additional coverages or limits;

(iii) Such other insurance such as workers compensation, directors and officers liability coverage, and fidelity insurance as the Board, in the exercise of its business judgment, determines advisable.

(b) Policy Requirements. The Association shall arrange for a periodic review of the sufficiency of insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon written request, to any Member. The policies may contain a reasonable deductible. In the event of an insured loss, the deductible shall be treated as a Common Expense; provided, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence

or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may levy a Specific Assessment of the full amount of such deductible against such Owner(s) and their Units.

The Board is authorized to obtain the insurance policies coverages specified in this Declaration through the Declarant and reimburse the Declarant for the cost thereof. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board.

To the extent available at reasonable cost and terms, all Association insurance shall:

- (i) be written with a company authorized to do business in the State of Georgia which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;
- (ii) be written in the name of the Association as trustee for the Owners, who shall be insured under such policy to the extent of the Owner's interest;
- (iii) not be brought in to contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;
- (iv) contain an inflation guard endorsement; and
- (v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

- (vi) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, and the Owners and their tenants, servants, agents, and guests;
- (vii) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;
- (viii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;
- (ix) an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;
- (x) a cross liability provision; and,

(xi) a provision vesting in the Board exclusive authority to adjust losses.

(c) Damage and Destruction . Immediately after damage or destruction to all or any part of the Community covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repairing or restoring the property to substantially its condition prior to the damage, allowing for changes or improvements necessitated by changes in applicable use or building codes. Any damage to or destruction of the improvements on the Common Area shall be repaired or reconstructed unless the Members representing at least 67% of the total votes in the Association, and Declarant, so long as Declarant owns property described in Exhibit "A", decide not to repair or reconstruct within 90 days after the loss. If the Association determines that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy a Special Assessment to cover the shortfall.

6.2. Owners' Insurance . Each Owner shall be responsible for insuring his or her own Unit and any property maintained by the Owner or the occupants of its Unit, their respective family members, guests, or invitees, within the Unit or elsewhere in the Community.

In the event of damage or destruction of structures on or comprising a Unit, the Owner shall, within 180 days thereafter, complete repair or reconstruction of the damaged structures in a manner consistent with the original construction or such other plans and specification as are approved in accordance with Article IX or, in the alternative, the Owners shall clear the Unit of all debris and ruins and thereafter maintain the Unit in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs not covered by insurance proceeds.

Neither the Association nor Declarant shall bear any responsibility for the maintenance or safekeeping of personal property of any Owner or occupant of a Unit, their family, guests, or invitees, nor shall the Association or Declarant be held liable for the conditions of, or any loss or damage to, any such personal property except to the extent directly attributable to the reckless acts or willful misconduct of the Association, Declarant, or their respective agents or employees.

ARTICLE VII

ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1. Annexation With Approval of Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members representing at least two-thirds (2/3) of the total votes in the Association present in person or by proxy at a meeting duly called for such purpose, and the consent of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 7.1. Such annexation shall be accomplished by Recording a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the annexed property, and by Declarant, if Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.2. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Section 7.1, for the purpose of removing any portion of the Community from the coverage of this Declaration, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not Declarant.

7.3. Additional Covenants and Easements. Declarant may subject any portion of the Community to additional covenants and easements by Recording a Supplemental Declaration, concurrent with or after the annexation of the subject property, setting forth such additional covenants and easements. Any such Supplemental Declaration shall require the written consent of the owner(s) of the subject property, if other than Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

ARTICLE VIII

ASSESSMENTS

8.1. Creation Assessments.

(a) Types. There are hereby created, and the Association is authorized to levy three types of assessments: (a) General Assessments as described in Section 8.3; (b) Special Assessments as described in Section 8.5; and (c) Specific Assessments as described in Section 8.6. Each Owner, by accepting a deed or entering into a Recorded contract of sale for any portion of the Community, is

deemed to covenant and agree to pay these assessments.

(b) Personal Obligation and Lien. All assessments, together with interest (computed from the due date of such assessment at a rate of 10% per annum or such higher rate as the Board may establish, subject to the limitations of Georgia law), late charges established by Board resolution, costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Unit and also shall be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose. Upon a transfer of title to a Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Unit by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a certificate in writing signed by an Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at closing of the transfer of title to a Unit and imposed special requirements for Owners with a history of delinquent payment. The General Assessment shall be an annual assessment due and payable in advance on the first day of fiscal year; provided, the Board may by resolution permit payment in two or more installments. If any Owner is delinquent in paying any assessments or other charges levied on his Unit, the Board may accelerate the installments and require all of the General Assessment to be paid in full immediately.

No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant or other entities for payment of Common Expenses.

8.2. Declarant's Obligation for Assessments. Declarant shall not be liable for payment of assessments on its unsold Units. However, Declarant may, but shall not be obligated to, annually elect to contribute to the Association the difference between the amount of assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: a voluntary contribution; an advance against future assessments (if any); or a

loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Community. Any Subsidy shall be disclosed as a line item in the Common Expense budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years.

8.3. Computation of General Assessments. At least 30-days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year. General Assessments shall be fixed at a uniform rate for all Units subject to assessment under Section 8.8. In determining the total funds to be generated through the levy of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Units.

The budget and notice of the amount of the General Assessment for the following years shall be available to each Owner at least thirty (30) days prior to the assessment or installment due date. Such budget and assessment shall become effective unless disapproved at a meeting by at least 67% of the total vote of the Association and by Declarant, so long as Declarant owns any property described on Exhibit "A". There shall be no obligation to call such a meeting unless a petition for a special meeting is presented to the Board within 10 days of the delivery of the notice of assessment.

If a budget is not adopted for any year, then until such time as a budget is adopted, the budget in effect for the immediately preceding year shall continue for the current year.

8.4. Reserve Budget and Capital Contribution.

(a) The Board may prepare a reserve budget which takes into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. If established, the Board shall include as a line item in the Common Expense budget capital contribution in an amount sufficient to permit meeting the Association's projected needs over the budget period. There shall be no obligation to establish a reserve budget and make such assessments. If reserves are not established or are insufficient for the repair or replacement of any capital asset, Special Assessments may be levied.

(b) Upon acquisition of record title to a Unit by the first Owner other than Declarant or a builder, a contribution of \$ 250.00 ("Initiation Fee") shall be made by or on behalf of the purchaser to the Association as set forth below. The Initiation Fee shall be in addition to, not in lieu of, any annual or special assessments. The Initiation Fee shall be payable at Closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee shall be deposited into an account of the Association and disbursed from the account (a) \$ 212.50 for operating expenses and costs of the Association in accordance with the Declaration and Bylaws, as amended, and (b) \$ 37.50 of the Initiation Fee shall be held by the Association as a long term "Maintenance Reserve" to be disbursed by the Association

for maintenance of any property which the Association is required or permitted to maintain in its sole discretion. The Initiation Fee referred to in this paragraph is payable only one time, and will not be charged subsequent purchases of the Unit

8.5. Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any Special Assessment which would exceed the amount of the General Assessment in any fiscal year shall require the affirmative vote or written consent of a majority of the total votes in the Association, and the affirmative vote or written consent of Declarant, so long as Declarant owns any property described on Exhibit "A". Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessments is approved. Special Assessments shall be levied equally on all Units, subject to assessment under Section 8.8

8.6. Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Unit or Units as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items or services to the Unit or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance or pest control), which assessments may be levied in advance of the provision of the requested benefit, item, or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Unit into compliance with the terms of this Declaration, any applicable Supplemental Declaration, the By-Laws, or rules or costs incurred as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing, in accordance with Section 3.24 of the By-Laws before levying any Specific Assessment under this subsection (b).

8.7. Lien for Assessments. The Association shall have a lien against each Unit to secure payment of delinquent assessments, as well as interest, late charges, costs of collection, and attorney's fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any Recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgement, and foreclosure in the same manner as mortgages are foreclosed under Georgia law.

The Association may bid for the Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit. While the Association owns a Unit following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment

that would have been charged the foreclosed Unit had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Unit who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment under Section 8.8, including such acquirer, its successors and assigns.

8.8. Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Unit on the first day of the month following the transfer or conveyance of an improved Unit with a certificate of occupancy to a Person for residential use. The first annual General Assessment levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on th Unit.

8.9. Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments on the same basis as during the last year for which as assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.10. Exempt Property. The following property shall be exempt from payment of assessments:

(a) All Common Area and such portions of the property owned by Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1; and

(b) Any property dedicated to and accepted by any governmental authority or public utility.

ARTICLE IX

ARCHITECTURAL STANDARDS

9.1. General. No structure shall be placed, erected, or installed upon any Unit, and no improvements (including staking, clearing, other site work, exterior alteration of existing improvements, painting or modifying fences, and planting or removal of landscaping materials) shall take place except in compliance with this Article and approval of the appropriate entity under Section 9.2. Notwithstanding this, the Board may, by resolution, exempt certain activities from the application and approval requirements of such resolution. Any Owner may remodel, paint or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Unit visible from outside the structures on the Unit shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of Declarant or the Association.

9.2. Architectural Review. So long as Declarant owns any property described in Exhibit "A" or for development or sale, Declarant shall have exclusive authority to administer and enforce architectural controls under this Article and to review and act upon all applications for construction and modifications within the Community. Declarant's rights under this Article IX may be assigned in whole or in part.

Upon the expiration or assignment of Declarant's authority to control architectural review for all or a portion of the Community, the Board shall create and appoint an Architectural Review Committee ("ARC"). The ARC shall consist of at least three, but not more than five, persons who shall serve and may be removed in the Board's discretion; provided, as long as Declarant owns any property described on Exhibit "A", it shall be entitled to appoint one member. Until Declarant's authority expires, the ARC shall have no rights or authority over architectural review, the ARC shall have authority over modifications, additions, or alterations made on or to existing structures or Units and the adjacent open space. At any time during the review process, so long as it owns any property described in Exhibit "A", Declarant shall have the right to veto any action taken by the ARC.

For the purposes of this Declaration, the entity having jurisdiction in a particular case shall be referred to as the "Reviewer". Reviewers of applications need not be Members. Reviewers may delegate certain rights and responsibilities to qualified individuals to act on its behalf, and their compensation, if any, shall be established from time to time by Declarant or the Board, as applicable. Fees for review of applications under this Article may be required to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, or other professionals.

9.3. Guidelines and Procedures.

(a) Design Guidelines. Declarant may prepare architectural standards or design guidelines ("Design Guidelines") for the Community. The Design Guidelines are not the exclusive basis for decisions but they may provide guidance on specific matters. Declarant shall have sole and full authority to amend the Design Guidelines as long as it owns any property described on Exhibit

"A". Thereafter, the ARC shall have the authority to amend the Design Guidelines with the consent of the Board.

(b) Procedures. Prior to commencing any activity subject to review, an Owner shall submit an application for approval of the proposed work to the Reviewer. Such application shall be in the form required by the Reviewer and shall include plans and specifications ("Plans") showing site layout, structural design, exterior elevations, exterior materials and colors, signs, landscaping, drainage, lighting, irrigation system, utility facilities layout, and other features of proposed construction, as applicable. Before the Owner may begin the proposed activity, the application must be approved in accordance with the procedures described below.

In reviewing each submission, the Reviewer may consider whatever factors it deems relevant, including, but not limited to, harmony of external design with surrounding structures and environment and location in relation to surrounding structures, topography, and finish grade elevation. Decisions of the Reviewer may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are purely subjective and may vary over time and among different Persons. The Reviewer may require relocation of native plants within the construction site, screening, and landscaping as a condition of approval of any submission.

The Reviewer shall respond in writing to an application within 60 days at an address specified by such party at the time of submission. The response may (i) approve the application, (ii) approve a portion of, segments or features of the Plans, and disapprove other portions, or (iii) disapprove an application which is deemed to be inconsistent or not in conformity with this Declaration and/or the Design Guidelines. The Reviewer may, but shall not be obligated to, set forth the reasons for such finding and it may make suggestions to cure objections to an application. In the event the Reviewer fails to respond, approval shall be deemed to have been given; provided, no construction which is inconsistent with the Governing Documents shall be deemed approved unless a written variance has been issued. Notice shall be deemed to have been given at the time the envelope containing the response is deposited with the U.S. Postal Service. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the submitting party.

If construction does not commence on a project which has been approved within 180 days of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to reapply for approval. If construction is not completed on a project for which plans have been approved within a period set forth in the Design Guidelines or in the approval shall be deemed withdrawn, and such incomplete construction shall be deemed to be in violation of this Article.

9.4. No Waiver of Future Approvals. Each Owner acknowledges that the Reviewer will change from time to time and that interpretation, application, and enforcement of the Design Guidelines may vary accordingly. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.5. Variance. The Reviewer may authorize variances in writing from its guidelines and procedures, but only: (a) in accordance with duly adopted rules and regulations, (b) when unique circumstances dictate, such as unusual topography, natural obstructions, hardship or aesthetic or environmental considerations, and (c) when construction in accordance with the variance would be consistent with the purposes of the Declaration and compatible with existing and anticipated uses of adjoining properties. For purposes of this Section, the inability to obtain, or the terms of, any governmental approval, or the terms of any financing shall not be considered a hardship warranting a variance.

9.6. Limitation of Liability. The requirements and procedures established by this Article are intended to enhance the overall aesthetics of the Community and shall not create any duty to any Person. A Reviewer shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with the building codes and other governmental requirements, nor for ensuring the appropriateness of soils, drainage, and general site work. Neither Declarant, the Association, the Board, any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Unit. In all matters, the Association shall defend and indemnify Declarant, the reviewing body, and their members.

9.7. Enforcement. Any structure or improvement placed or made in violation of this Article or the Design Guidelines shall be deemed to be nonconforming, unless a variance has been granted. Upon written request from the Board or Declarant, Owners shall, at their own cost and expense, remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant or the Board shall have the right to Record a notice of violation and to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with interest at the maximum rate then allowed by law, may be assessed against the Owner and Unit and collected as a Specific Assessment.

Unless otherwise specified in writing by a Reviewer granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Unit, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work the Association shall be authorized, after notice to the Owner of the Unit and an opportunity to be heard in accordance with the By-Laws, to enter upon the Unit and remove or complete any incomplete work and to assess all costs incurred against the Unit and the Owner thereof as a Specific Assessment.

Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded by the Board from the Community, subject to the notice and hearing procedures contained in the By-Laws. In such event, neither the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this paragraph.

In addition to the foregoing, the Association and Declarant shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the reviewing bodies.

ARTICLE X

USE RESTRICTIONS AND RULES

10.1. Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Community in order to enhance all Owners' collective interests, subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, and desires within the Community. The initial Use Restrictions and Rules attached as Exhibit "B", establish affirmative and negative covenants, easements, and restrictions on the land subject to this Declaration.

All provisions of this Declaration and any Association rules shall apply to all Owners, occupants, tenants, guests, and invitees of any Unit. Any lease on any Unit shall provide that the lessee and all occupants of the leased Unit shall be bound by the terms of the Governing Documents.

10.2. Authority to Promulgate Use Restrictions and Rules. The initial Use Restrictions and Rules applicable to all of the Community are attached as Exhibit "B" to this Declaration and may be modified in whole or in part, repealed, or expanded as follows:

(a) Subject to the Board's duty to exercise business judgment and reasonableness on behalf of the Association and its Members, the Board may adopt rules which modify, cancel, limit, create exceptions to, or expand the initial Use Restrictions and Rules by a majority vote of the directors at any Board meeting. The Board shall send notice by mail to all Owners concerning any such proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective unless disapproved at a meeting duly called for such purpose by Members representing at least 51% of the total Association votes and by Declarant, so long as Declarant owns any property described on Exhibit "A". The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon petition of the Members as required for special meetings in the By-Laws.

(b) Alternatively, the Members, at a meeting duly called for such purpose as provided in the By-Laws, may adopt rules which modify, cancel, limit, create exception to, or expand the use restrictions and rules previously adopted by a vote of Members representing at least 51% of the total Class "A" votes in the Association and the approval of Declarant, so long as Declarant owns any property described on Exhibit "A".

(c) A least 30 days prior to the effective date of any action taken under subsections (a) or (b) of this Section, the Board shall send a copy of the newly-adopted rule to each Owner. The Association shall provide, without cost a copy of the new Use Restrictions and Rules then in effect to any requesting Member or Mortgagee.

(d) The foregoing procedures shall not apply to the enactment and enforcement of administrative rules and regulations governing use of the Common Area unless the Board chooses in its discretion to submit to such procedures. Examples of such administrative rules and regulation shall include, but not be limited to, hours of operation, speed limits, or landscaping on the Common Area. The Board shall exercise business judgement in the enactment, amendment, and enforcement of such administrative rules and regulations.

(e) The foregoing procedures shall not restrict amendments to this Declaration or the Design Guidelines enacted under Section 9.3.

10.3. Owner's Acknowledgment. All Owners and occupants of Units are given notice that use of their Unit or Units is limited by the Use Restrictions and Rules as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into and Recording a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Unit can be affected, that the Use Restrictions and Rules may change from time to time, and that such changes may not be reflected in a Recorded instrument.

10.4. Rights of Owners. Except as may be specifically set forth in this Declaration (either initially or by amendment), neither the Board nor the Members may adopt any rule in violation of the following provisions:

(a) Similar Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof. The Board may impose a fine of One-Hundred and Fifty and No/100 Dollars (\$150.00) per day for display of any sign in violation of this provision which is not removed within twenty-four hours after written demand is delivered to the Owner at that Unit.

(c) Holiday Displays. The Board may adopt rules governing or prohibiting the display of religious and holiday signs, symbols, and decorations outside structures, and may adopt time, place, and manner restrictions for the purpose of minimizing damage and disturbance to other

Owners and occupants.

(d) Household Composition. No rule shall interfere with the freedom of occupants of Units to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Unit on the basis of the size and facilities of the Unit and its fair use of the Common Area.

(e) Activities Within Dwellings. No rule shall interfere with the activities carried on within the confines of dwellings, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of others, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

(f) Alienation. No rule shall prohibit leasing or transfer of any Unit, or require consent of the Association or Board for leasing or transfer of any Unit; provided, the Association or the Board may require a minimum lease term. The Association may require that Owners use lease forms approved by the Association, and it may impose a reasonable fee on the lease or transfer of any Unit based on the costs to the Association of administering that lease or transfer. All leases shall be in writing and shall disclose that the tenants and all occupants of the leased Unit are bound by and obligated to comply with the Governing Documents; however, the Governing Documents shall apply regardless of whether such a provision is specifically set forth in the lease.

(g) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede Declarant's right to develop the Community.

(h) Abridging Existing Rights. If any rule would otherwise require Owners or occupants of Units to dispose of personal property which they maintained in or on the Unit prior to the effective date of such rule, or to vacate a Unit in which they resided prior to the effective date of such rule, and such property was maintained or such occupancy was in compliance with this Declaration and all rules previously in force, such rule shall not apply to any such Owners without their written consent unless the rule was in effect at the time such Owners or occupants acquired their interest in the Unit.

(i) Activities Incidental to Construction. No rule or action by the Association shall impede Declarant or builders authorized by Declarant from maintaining upon Common Area and Units which they own any facilities necessary or incidental to construction or sale of Units. By way of example and not limitation, no rule shall prohibit Declarant or builders authorized by Declarant from installing signs, maintaining temporary structures for use during construction of a Unit, or from using any dwelling on a Unit as a sales office.

The limitations in this Section 10.4 shall apply only to Use Restrictions and Rules

adopted or amended in accordance with Section 10.2; they shall not apply to amendments to this Declaration adopted in accordance with Section 15.2.

ARTICLE XI

EASEMENTS

11.1. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Area and between adjacent Units due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

11.2. Easements for Utilities, Etc.

(a) There are hereby reserved to Declarant, the Association, and the designees of each (which may include, without limitation, any governmental or quasi-governmental entity and any utility company) perpetual non-exclusive easements upon, across, over, and under all of the Community (but not through a structure) to the extent reasonably necessary for the purpose of monitoring, replacing, repairing, maintaining, and operating cable television systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways, and trails; wetlands and drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewers, telephone, gas, and electricity, and utility meters; and for the purpose of installing any of the foregoing on property which Declarant or the Association owns or within easements designated for such purposes on Recorded plats of the Community.

(b) Declarant hereby establishes for the benefit of each Unit a nonexclusive easement for access to and installation, maintenance, repair, replacement and use of all pipes, wires, cables, conduits, utility lines, flues and ducts serving such Unit and situated in, on or under any other Unit or the Common Area. The Board of Directors, and without a vote of the Owners, shall have the right, power and authority to grant permits, licenses, utility easements, and other easements, permits or licenses necessary or desirable for the proper maintenance or operation of the Community under, through, or over the Units and/or the Common Area as may be reasonably necessary to or desirable for the ongoing operation of the Community. In the event that any Owner desires access to the interior of another Unit to install, maintain, repair or replace any utility pipe, wire, cable, conduit, utility line, flue or duct, the Owner shall contact Owner of such other Unit(s) at least two (2) days in advance of the date that access is needed and attempt to agree on a convenient date and time for access by the Owner and the Owner's contractors. Access in emergency situations shall be granted immediately upon request. Any Owner of a Unit to which access is needed under this Section shall

not unreasonably withhold, condition or delay such access. Rights exercised pursuant to this easement shall be exercised with a minimum of interference to the quiet enjoyment of affected Units, reasonable steps shall be taken to protect such Units and the property of the Owners and Occupants thereof, and damage shall be repaired by the Person causing the damage at its sole expense.

Declarant specifically grants to the local water supplier, electric company, and natural gas supplier easements across the Community for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters, and boxes as applicable.

(c) There is hereby reserved to Declarant, so long as Declarant owns any property described on Exhibit "A" of this Declaration, the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described on Exhibit "A". To the extent reasonably possible, such easements over Units shall be limited to set back areas adjacent to the perimeter boundary of each Unit.

(d) Any damage to a Unit resulting from the exercise of the easements described in Section 11.2 hereof shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of these easements shall not extend to permitting entry into the structures on any Unit, nor shall it unreasonably interfere with the use of any Unit and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

11.3. Easements for Drainage. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water across all Community property. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping water flow across any Unit or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

11.4. Easements to Serve Additional Property. Declarant hereby reserves for itself and its duly authorized agents, representatives, employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of any property described in Exhibit "A", whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for connecting and installing utilities on or through such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of the exercise of this easement.

11.5. Right of Entry. The Association shall have the right, but not an obligation, to enter upon any Unit for emergency, security, and safety reasons, to perform maintenance pursuant to Article V hereof, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers,

agents, employees, and managers, and all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Unit to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

11.6. Landscaping and Signage Easements. Declarant and the Association shall have perpetual, non-exclusive easements exercisable by their respective employees, agents, and contractors over those portions of the Community designated as "Landscaping and Signage Easements" (or similar label) on the Recorded subdivision Plats relating to the Community for the purpose of installation, maintenance, repair, and replacement of lot bollards, neighborhood entrance monuments, signs, fences, lighting, irrigation systems, and landscaping within the easement area. The Declarant and Association, in compliance with any applicable laws and regulations, shall have a blanket easement to pump water from any water bodies within the Community for irrigation purposes. No fences, structures, driveways, plants, swings, wood piles, dog runs, or any other objects, temporary or permanent, shall be permitted in such areas without the Association's prior written approval, other than those initially installed by Declarant or the Association to exercise such easements or to construct or install any of the foregoing within any Landscaping and Signage Easement.

Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, improvement, or condition which may exist on any portion of the property within the Community, including Units, and a perpetual, nonexclusive easement of access throughout the Community to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

11.8. Construction and Sale Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Community for development or sale, Declarant reserves an easement across the Community for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Community as Declarant may reasonably deem necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales activities related to property within or near the Community. This easement shall include, without limitation:

(a) The right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on, or in any portion of the Community as well as any Unit in the

Community,

(b) The right to tie into any portion of the Community with driveways, parking areas and walkways;

(c) The right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;

(d) The right (but not the obligation) to construct recreational facilities on Common Area;

(e) The right to carry on sales and promotional activities in the Community;

(f) The right to place direction and marketing signs on any portion of the Community, including any Unit or Common Area;

(g) The right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and

(h) Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

11.9 Fence Easement. Declarant hereby reserves an easement across any Unit which borders upon or contains a portion of any water facility, pond, lake, dam, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

ARTICLE XII

An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

- (c) Any lapse, cancellation, or material modification or any insurance policy maintained by the Association.

12.2. No Priority. 12.3. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

12.4. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

ARTICLE XIII

DECLARANT'S RIGHTS

Any or all of the special rights and obligations of Declarant set forth in this Declaration or the By-Laws may be transferred or assigned in whole or in part to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in written instrument signed by Declarant and duly Recorded.

Declarant and builders authorized by Declarant may maintain and carry on without fee

No Person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements within the Community in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction unless Declarant and any builder involved in the design or construction have been first notified in writing and given an opportunity to meet with the owner of the property to discuss the owner's concerns and conduct their own inspection.

Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any Use Restrictions and Rules, architectural standard, or Design Guideline made shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns any portion of the Community primarily for development and sale.

ARTICLE XIV

14.2. Claims. Unless specifically exempted below, all claims, grievances, or disputes arising out of or relating to the design, construction, or repair of improvements on the Community shall be subject to the provisions of Section 14.3.

UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR OR PAY FOR THE DEFECTS OR BOTH. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. (c) Additional Pre-Suit Requirements.

The Association may commence an action only upon the affirmative vote of two-thirds of the votes of the members of the Association. In such a case, the Association shall provide written notice to the owner of each unit of the meeting at which the commencement of an action is to be considered or action is to be taken at least 21 calendar days before the meeting, so long as Declarant owns any property in the Community for development or sale

(vii) If O.C.G.A. § 8-2-35 et seq. is in effect, any additional requirements set forth in O.C.G.A. § 8-2-35 et seq., have been satisfied.

Providing, however, the board of directors of the Association may, without giving notice to the units' owners, employ a contractor and such other persons as are necessary to make such immediate repairs to a unit or common element within the community as are required to protect the health, safety, and welfare of the units' owners.

14.4. Allocation of Costs of Resolving Claims. All costs, including any attorneys' fees, incurred in complying with this Section shall be borne by the Party incurring same. Any and all subsequent costs, including any attorneys' fees, shall be made in accordance with the Right to Repair Act as set forth in O.C.G.A. § 8-2-35 et seq., if in the Right to Repair Act is in effect.

14.5. Enforcement of Resolution. In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including, without limitations, attorneys' fees and court costs.

ARTICLE XV

Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder, nor shall it adversely affect title to any Unit without the consent of the affected Unit's Owner.

(b) By the Owners. This Declaration may be amended upon the affirmative vote at a meeting duly called for such purpose, or any combination thereof, of the Members representing at least two-thirds (2/3) of the votes in the Association and the consent of Declarant (so long as Declarant owns any of the property described in Exhibit "A").

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

15.5. Cumulative Effect; Conflict . The provisions of this Declaration shall be cumulative with the provisions of any applicable Supplemental Declaration. Nothing in this Section shall preclude any Supplemental Declaration or other Recorded declaration, covenants, and restrictions applicable to any portion of the Community from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

15.6. Compliance . Every Owner and occupant of any Unit shall comply with the Governing Documents. Subject to the terms of Article XIV, failure to comply shall be grounds for an action by the Association or, in a proper case, by any aggrieved Unit Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

15.7. Notice of Sale or Transfer or Title . As such, while something may be approved or permitted for one Unit under one set of circumstances, the same thing may be disapproved for another Unit under a different set of circumstances. The exercise of discretion in approving or enforcement shall not be constructed as a waiver of approval or enforcement rights, nor shall it preclude the Board from taking enforcement action in any appropriate circumstances.

(iii) Any vehicle, boat, motor home, trailer, or recreational vehicle, left upon any portion of the Common Area or within the public rights-of-way within the Community for longer than forty-eight (48) consecutive hours is subject to removal without further notice. Pets which are permitted to roam free, or, in the Board's sole discretion, make objectionable noise, endanger the health or safety of, or constitute a nuisance or inconvenience to the occupants of other Units shall be removed upon request of the Board. If the pet owner fails to honor such request, the Board may remove the pet. Dogs shall be kept on a leash whenever outside the dwelling and not in a fenced in yard.
